

## **REMARKS**

### **Claim Amendments**

Claim 53 has been amended to correct an obvious typographical error, without narrowing the scope thereof. No new matter is introduced.

### **Allowed Claims**

Applicant notes with appreciation that claims 1-4, 6-7, 15-28, 33, 37 are indicated as allowed in the Action; as such, these claims are not discussed further herein.

### **Claim Rejections**

Claim 53 stands rejected under §112, ¶2 related to antecedent basis for "the implant member." Claim 53 has been amended so that "the implant member" now reads "the implant," with the latter term finding antecedent in line 3. In view of this amendment, Applicant requests withdrawal of the corresponding §112 rejection. Further, Applicant notes that there are no other rejections for claim 53. As such, Applicant submits that claim 53 is in condition for allowance.

In view of the above amendments and remarks, the Applicant submits that the present application is in condition for allowance.

Respectfully submitted,
